

The Beech Natural Mattress Specification Sheet

Mattress Fillings

Coir Fibers layered & mixed with Pure latex making our very own CoirTex™ the amount of Coir to the amount of Latex is a closely guarded secret between The Natural Coir Bed Company & its Natural Supply chain, as this is where the longevity of the mattress is regulated.

Pure Natural Latex that is gathered by hand from the Latex tree, (Hevea Brasiliensis) The Latex Sap is extracted out of the tree, no harm is made to the tree as this is the lively hood of many so the tree is very well looked after.

Pure layered cotton with a mixture of Lambswool to give that extra comfort & luxurious feel.
